

## Welcome

Welcome to our 2nd newsletter. Autumn 2010 has been a busy time for OnThisROC as we seek to establish our new social enterprise. We have welcomed new members to our Wednesday climbing clubs and run climbing tasters for a number of youth groups. We also ran a diversionary project in October half term with Belle Vale Police.

## St Gregories Youth Club 10 Week Climbing Project

*St Greys with their  
Level 1 NICAS Certificates*

Following on from our involvement at the Netherley Show in September we were asked by St Gregories Church to run a climbing project for some of their young people. At the beginning of October we started a ten week project. Six of their young people are currently doing NICAS level 1&2 with us.

They have been a fantastic group to work with and certainly liven up the climbing centre on a Thursday night. They are also very good climbers with several of them climbing grades I can only dream of!

We have managed to secure some funds for a further 10 week project with them but are hoping we can find another £300 for the group to stay on and complete their NICAS level 3.

## OTR Supports Woolton Primary Schools Christmas Fair

On Saturday 27<sup>th</sup> November the OTR team spent the day at Woolton Primary School helping them raise money at the Christmas Fair. Huge thanks to Laura, Archie, Ian and Claire for all their help.

## Meet our new member of staff

*Andee Moorcroft joins the team*

We are delighted to welcome Andee Moorcroft to OnThisROC. Andee started working with us on 6<sup>th</sup> December and joins us initially for six months on a future jobs placement thanks to Local Solutions. Andee will be working in our office as well as supporting Andy at the climbing centre. As part of his time with OnThisROC he will be training to be a qualified climbing instructor.

## Partners Update

As always we want to say a huge thank you for your support. Over the last two months your gifts have made it possible for us to pay for a young person to attend our Wednesday Club.

## Our Plans

During November Andy met with the Chief Execs from Daisy UK and Bradbury Fields, two Charities that work with blind and partially sighted people. We are exploring the possibility of setting up a climbing club for blind and visually impaired young people.

We are looking forward to working with Liverpool FC by supporting their social inclusion project. We are starting a 10 week project with them in January 2011, consisting of weekly climbing sessions which will give 60 young people a chance to experience the climbing centre.

## Get In Touch with OnThisROC

Whether you're part of a school, youth or community group, social enterprise or charity, business or even an individual, OnThisROC would love to hear from you. We offer a variety of climbing opportunities which you can check out on our website: [www.onthisroc.co.uk](http://www.onthisroc.co.uk) or call us on 07850 344144 for more information about a tailor made project to suit you or your organisation.

## A Big Thank You

OnThisROC would like to say a huge thank you to all our supporters. Without your encouragements and your gifts we couldn't do the work we do.

Andy  
Managing Director
